MADE IN FRANCE

We prioritise French companies, short supply circuits, local sourcing. Our restaurant menus therefore express the seasons' rhythms.

We are grateful to our providers and producers for the quality of their product and their daily commitment.

Come and discover them and how they contribute to the quality of your stay:

- Honey
- jam
- Pastry chef: The quivering of Marseille
- Brewer La Minotte

ENVIRONMENTAL POLICY

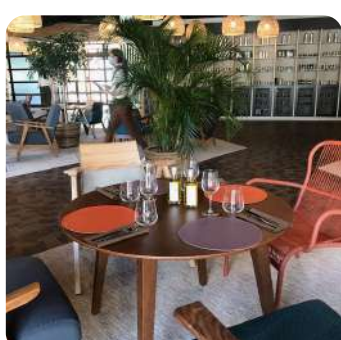

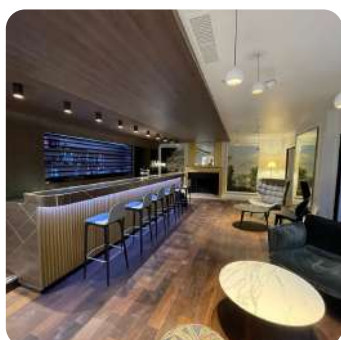

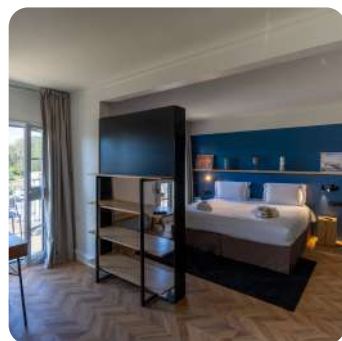

We are determined to participate in all the necessary efforts for the planet's conservation. With us, everyone can decide their own pace, wishes or share of responsibility, without judgement, without expectations or obligations and according to a programme that seeks to be as simple as possible:

- Prevention (technical maintenance, renovation)
- Anti-waste (food)
- Sorting (paper, glasses, office ...)
- Recycling (food, furniture)
